CHAPTER: 7 – CENTRAL OFFENDER RECORDS	SUBJECT: APPLICATION AND FORFEITURE OF GOOD TIME	
APPROVED BY THE COMMISSIONER AND EFFECTIVE THIS DATE: <i>Clare DeMatteis</i> 8/26/19		
APPROVED FOR PUBLIC RELEASE		

I. AUTHORITY: 10 *Del. C.* § 8805; 11 *Del. C.* §§ 4204 (k), 4209, 4214, 4217, 4346, 4372 (repealed), 4381, 4382; 21 *Del. C.* § 4177(d); 29 *Del. C.* § 8903 (4)(5)(7)

II. PURPOSE: To establish an accurate and consistent system for recording and reporting statutory and meritorious good time credits.

III. APPLICABILITY: All Department staff, contract staff, and offenders in Department custody.

IV. DEFINITIONS:

Delaware Automated Correctional System (DACS) – Department’s offender management system.

Earned Statutory Good Time: Good time that is earned as authorized by statute for “good behavior.”

Earned Meritorious Good Time: Good time that is earned through participation in education, rehabilitation, work or other programs as designated by the Commissioner.

Earned Meritorious Bonus Good Time: Good time that is earned for successful completion of an approved program designed to reduce recidivism and approved by the Commissioner.

Mandatory Sentence: Sentence requires a specific amount of incarceration; good time reduction is permitted unless otherwise stated by statute.

Minimum Sentence: Sentence shall not be subject to suspension by the court; good time reduction is permitted unless otherwise stated by statute.

POLICY 7.2 – APPLICATION AND FORFEITURE OF GOOD TIME

Minimum/Mandatory Sentence: Sentence required is a minimum/mandatory term of incarceration; good time reduction is permitted unless otherwise stated by statute.

Non-TIS Sentence: Sentence imposed prior to the implementation of Truth in Sentencing.

Parole Eligibility Date (PED): The date on which an offender is eligible to apply for parole if applicable.

Truth in Sentencing (TIS): Sentencing law intended to ensure that an offender serves the sentence imposed, less any good time accrual. TIS generally applies to offenders sentenced for crimes committed on or after July 1, 1990, under Title 11 and 16 of Delaware Code and DUI Felony charges with an offense date on or after July 27, 2015, under Title 21 *Del. C.* § 4177.

- V. POLICY:** To ensure proper statutes and procedures are utilized, Department staff and contract staff will provide precise and consistent recording of good time credits once the good time has been approved.

VI. PROCEDURE:

- A. There are two categories of good time sentence reductions: Statutory and Meritorious.
 - 1. Statutory good time is provided by statute to all sentences for good behavior with the exception of those offenders sentenced to life under 11 *Del. C.* §§ 4209 and 4214, or sentences pursuant to 11 *Del. C.* § 4204(k).
 - 2. Meritorious good time is earned by the individual offender for participation in education, rehabilitation, work or other programs and successful completion of designated programs.
- B. For the purposes of computing the reduction of confinement time, consecutive sentences are regarded “back to back” (added together) and the total possible reduction in time is based on the total of the sentences.
- C. For those offenders eligible for parole, the Board of Parole may release such offenders on parole once they have served one-third of their sentences imposed by the Court, such terms to be reduced by statutory and meritorious credits where applicable.
 - 1. The initial Parole Eligibility Date (PED) is calculated by the DOC upon sentence calculation. For purposes of calculating the PED for those offenders sentenced to life imprisonment, life shall be considered 45 years. If an offender is denied parole at their initial appearance before the Board of Parole, the Board of Parole will set all subsequent PEDs. Subsequent PEDs are not eligible for reduction through the application of good time credits.
- D. Statutory good time guidelines:
 - 1. Non-TIS statutory good time computation applies to sentences imposed by the Courts for crimes committed prior to July 1, 1990. Certain offenders may earn diminution of their confinement by their behavior, fidelity and compliance with the rules under Title 11 *Del. C.* § 4372 (repealed).

POLICY 7.2 – APPLICATION AND FORFEITURE OF GOOD TIME

- a. An offender may have his or her release date reduced at the following rates:

<u>Length of Sentence</u>	<u>Reduction of Sentence</u>
Up to 1 year	5 days per month
Over 1 year and including 2 years	7 days per month
Over 2 years and including 3 years	9 days per month
Over 3 years and thereafter	10 days per month

- b. Statutory Non-TIS good time allowances are shown on the table in Appendix I of this policy.
2. TIS statutory good time computation generally applies to sentences imposed by the Courts for crimes committed on or after July 1, 1990 although those offenders sentenced between January 1, 1990 and July 1, 1990 may choose to be sentenced under TIS or Non-TIS guidelines.
 - a. An offender sentenced under TIS is not eligible for work release programs until the last 180 days of the sentence with the exception of sentences of less than one year, where the offender is eligible for work release after serving 5 days of the sentence at Level V. Sentences imposed under TIS are not eligible for Parole. However, the Parole Board will review requests for sentence modifications pursuant to Title 11 *Del. C.* § 4217.
 - b. An offender may have his or her release date reduced at the following rates:

<u>Length of Sentence</u>	<u>Reduction of Sentence</u>
Up to 1 year	2 days per month
Over 1 year and thereafter	3 days per month
 - c. No person shall be awarded more than 36 days of good time for good behavior in any 1 year consisting of 365 calendar days actually served. Statutory TIS good time allowances are shown on the table in Appendix II of this policy.

E. Meritorious good time guidelines:

1. Meritorious good time may be earned by participation in education, rehabilitation, work or other programs as designated by the Commissioner. Good time may be awarded for satisfactory participation in approved programs at a rate of up to (5) days per calendar month. (Refer to DOC Policy 3.18)
2. Offender attendance and participation must be officially recorded; approved by facility staff, contract staff and submitted with the total hours attended and converted into total days earned for reduction of sentence no later than the first week of the following month and forwarded to Central Offender Records (COR) to award good time. The earned good time will be applied at the conclusion of the month per Title 11 *Del. C.* § 4381.

POLICY 7.2 – APPLICATION AND FORFEITURE OF GOOD TIME

3. Offenders in education, rehabilitation, work or other programs will receive meritorious good time credit reduction according to the following schedule:

Combined Hours/Attended Per Month/Reduction of Sentence

101 or more	5 days
86 to 100.99	4 days
66 to 85.99	3 days
46 to 65.99	2 days
At least 12 to 45.99	1 day

4. Good time credits earned through participation in designated education/rehabilitation/work programs by non-sentenced offenders will be recorded and maintained just as a sentenced offender. Upon sentencing, all earned good time accumulated will be put towards reduction of the offender's sentence.

F. Meritorious Bonus Good Time:

1. Offenders who successfully complete certain designated programs as approved by the Commissioner may be awarded "bonus" good time credits up to 60 days. (Refer to DOC Policy 3.18)

G. Forfeiture and Restoration of Good Time:

1. Any offender subject to the custody of the Department at Level IV or V shall, upon the conviction of any crime committed during the term of the sentence, forfeit all good time accumulated to the date of the criminal act; this forfeiture is not subject to suspension.
2. The Level IV or V facility designee will notify Central Offender Records of crimes committed by filling out the Notification of Offender Arrest Form (Attachment 1). Upon conviction, all good time accumulated to the date of the criminal act will be removed by Central Offender Records.
3. Any offender subject to the custody of the Department at Level IV or V who is determined to have violated the rules of the Department shall forfeit all or part of the good time accrued to the date of such offense. Forfeiture under this subsection may be suspended by the Department for the purposes of encouraging rehabilitation or compliance with discipline.
4. Any offender subject to the custody of the Department at Level IV or V who is determined to have physically assaulted any correctional officer or employee of the Department shall, in addition to any criminal or civil penalties which may be imposed, forfeit all good time accumulated to date of the assault. This forfeiture is not subject to suspension.
5. When good time is actually forfeited by order, it may not be recovered by the incarcerated person.
6. Any offender subject to the custody of the Department at Level IV or V, who is found by a court to have filed a factually frivolous claim, malicious claim or legally frivolous claim and sanctioned by the court shall be deemed to have failed to earn behavior good time credits and shall have a portion of the good time credits accumulated forfeited to the extent and in accordance with the order issued.
